

20th century Harvest River landscape with horses, farmers, a church and village.

\$1,950

REF: 2393

Height: 35.56 cm (14")

Width: 43.18 cm (17")

Description

Wonderful 20th century German landscape with harvesters working on the farmland, bringing in the harvest. Hohenberger was landscape painter from the middle to latter part of the 20th century. He often painted village life, cottages and harvest scenes with great skill and painted with a very good well observed manner. This is a very good example of the artists work. Framed in its original frame.
