Framed Width: 81.5 cm (32.1")

Framed Depth: 81.5 cm (32.1")

Description

A well painted scene of Windsor Castle from the River Thames.

Little has changed along the River Bank since this piece was painted and the painting is a very truthful interpretation of the landscape around Windsor.

The artist was a landscape painter from the the middle to the early part of the 20th century.

The piece is in excellent condition and is well framed in a period frame
