Description

Bronze sculpture of a young boy. Signed and inscribed on the base.

An amazing bronze cast of a little 19th-century boy. The quality of the piece is outstanding, as is the color and patination.

There is little known about the painter other than he worked in clay and Bronze during the latter part of the 19th century. His work is always of the finest quality and this is a prime example of his fine quality work.

The figuring of the face and clothes shows the skill of the modeling.

This piece is in outstanding condition and has all its original patina
