

French Old master scenes

Sold

REF: 2007

Height: 15.5 cm (6.1")

Width: 13 cm (5.1")

Description

An amazing collection of 18th century gouache and chalk/charcoal draawings by this well known French artist. Each has been framed and matted in the most amazing frames which set the quality of the drawings off very well.

LeJeune was a highly regarded painter and master draughtsman, though few of his paintings and drawings exist.

There is a very similar example to this set in the Metropolitan Museum in New York City.
