

Victorian Summer Harvent scene

Joseph Mundell

\$4,250

REF: 2043

Height: 43.5 cm (17.1")

Width: 65 cm (25.6")

Description

John Mundell was a British painter of landscapes as well as river scenes and coastal views. It is suggested that Mundell was a pseudonym of John James Wilson. Mundell's work was vigorous, bright and attractive and compares favorably with the work of many of the better artists of his time.

This is a very fine example of the artist's work. It is a rare composition for the artist as he mostly painted marines.
